Return To Texas was written for friends and dulcimer players Linda Lowe and Wesley Thompson. Linda has inspired many players through her instruction books and workshops.

When repeating the B part of this ragtime tune, measures 11-12 and 15-16 are often improvised while the guitar or piano accompaniment rests. The C part uses every note in the chromatic scale for a span of one octave. And it can be played on a 15-14 dulcimer. Return To Texas is on the CD *Love Above All*.
